## Equity derivatives: Soft launch of Custom Basket Forwards

As of July 10, 2023, Nasdaq Stockholm AB and Nasdaq Clearing AB will start the soft launch of Custom Basket Forwards (CBF). Members that have signed the Close Out Provider agreement may from this date conduct trading and clearing of CBFs.

Members are reminded that the following apply during the soft launch phase:

- The member must only trade and clear CBFs with the member's own clients (i.e., any CBF recorded on the member's house account must always be met by an equal and opposite contract recorded on a client account of the member).
- Registration of transactions is allowed only via Nasdaq Trading Operations.
- Give ups are not allowed.

For further CBF product information, please see: [www.nasdaq.com/solutions/custom-basket-forwards](http://www.nasdaq.com/solutions/custom-basket-forwards)

For further information concerning this exchange notice, members may contact their respective Nasdaq account manager or product manager Håkan Walden, telephone +46 8 405 60 00.
